## Remember The Cyrenians in Your Will

One of the ways to support us is to leave us a donation in your will: [www.charityexplorer.com](http://www.charityexplorer.com) and [www.rememberacharity.org.uk](http://www.rememberacharity.org.uk) can provide some of the information you need to make a decision when writing a will.

Currently, three quarters of the population give something to charity every year but only 7% of that group leave a gift to charity in their will. Even at this level, legacies provide a vital source of funding. However, if more of us were to make provisions for the causes we hold most dear, the benefits would be enormous. The recent amendment to inheritance tax presents us with an ideal opportunity to collectively make this change.

For more information on leaving a legacy to support The Cyrenians and to see how the changes to Inheritance Tax have made it more attractive to support charities through legacy giving, please visit the Legacy10 website by clicking on the icon.

Please remember to quote our Charity Number 500640 and Registered Office Architectural House, Plummer Street, Newcastle upon Tyne NE4 7AB, when talking to your Solicitor about including us in your will.
