The Cyrenians Charity Shop

What is The Cyrenians Charity Shop?

The Cyrenians Charity Shop is a new style of charity shop which seeks to offer a different shopping experience to that of traditional charity shops. The Charity Shop is about style, value for money and quality.

The Cyrenians is an award winning North East charity based in Newcastle which supports and helps homeless, excluded and other vulnerable adults. All of the proceeds of the Charity Shop go to The Cyrenians so every purchase you make helps the Charity in its vital work of changing lives and building futures.

Opportunities to Help

As a Charity we are always looking for help. Buying items from the Shop is one way to do this. There are other ways.

Donations

We are always very happy to receive donations of clothes that we can sell in the Shop. Donations of one or two items are just as important to us as large bags of clothing. Just drop them off at the shop next time you are in the City Centre.

Alternatively you could arrange a D-Day Campaign at your workplace, your neighbourhood or your school. The D-Day is a specific day on which everyone would bring in at least one item of clothing for donation to the Charity Shop. If you are interested in hosting a day please download the editable poster or contact us for further information.

Volunteering

Many of the people who work in The Cyrenians Charity Shop are volunteers. If you are interesting in clothing and fashion and would like to volunteer your time to work in the Shop we can offer you a pleasant working environment and membership of an enthusiastic team. We offer a very flexible volunteering arrangements which can suit your needs. No previous experience is needed as full training will be provided.
